

BASIC WOOD JOINERY

Prerequisite: None

Schedule: 3 hours – See Wood Shop Club [CALENDAR](#) for scheduled dates

Student Supplied Material: None

Enrollment: Minimum 2 persons / Maximum 3 persons

Description: Learn the basic joints that can be utilized in your woodworking projects. The basic uses, strengths and weaknesses of each joint type will be illustrated and discussed. Attendees will also learn how to use the Wood clubs Festool "Domino" machine for mortise and tenon joinery.

Fee: \$15
